

CHATTING WITH BUSINESS ALUMNI

Fall 2023

October 4th at 3:30 PM online through Teams

We are honored to have Italeigh Browm as our Alumna guest for the Fall 2023 Chatting with Business Alumni Event. Italeigh graduated in Fall 2019 with a degree in Business Administration with a Management concentration.

Italeigh is an Associate Coach at T-Mobile. She coaches and develops technical consultants' expertise on excellence in customer service. She implements and teaches the company's policies and procedures, and assists customers with specific technical requirements and general requests about T-Mobile products and services. She also plans and executes performance metrics focusing on and leveraging the performance of the customer service technical consultants.

Italeigh is a rising professional and expert in the Communications Industry. She is excited about her job at T-Mobile and eager to share her experience as a USCB alumna and her professional challenges and achievements.
