OTHER ACTIVITIES/ACCOMPLISHMENTS

Holiday Gift Tree for Needy People, 2009-2018.

Some graduate students and I organized a gift tree for residents of nursing homes (2009) and special needs housing (2010-2018) wherein we set up a tree in the lobby of Cammack building, invited people to take a tag that asked them to buy specific gifts for residents, and return those gifts to Cammack. We then wrapped the gifts and distributed them to about 100 residents (each year) at a holiday party.

Shoebox Challenge, 2009, 2010

The I-O Club participated in the shoebox challenge wherein they made holiday shoeboxes full of basic needs gifts (hygiene items, small toys, and candy) for needy children in eastern Kentucky. I was not the driving force behind this event, but I did assist with many of the preparations.
