

Subject: Recreation and Intramural Sports Team Rosters
Number: 902
Issued by: Director of Athletics
Date: October 15, 2007

Team Rosters

- A. Each game's score sheet will serve as a team's roster, and all player's full names and student numbers must appear on the score sheet.
 - 1. Captains/Managers may add as many players as league or sport rules dictate. Playoff rosters will also be dictated according to league or sport rules.
- B. Players may participate on only one team in a specific sport. (Exception: participants may play on two teams if one is a Co-Rec team).
 - 1. The first team's score sheet/roster that a participant's name appears on is only the only team that participant may compete for. Signing in for another team will result in a forfeit for that team.
- C. The Recreation and Intramural Sports staff will determine eligibility in borderline cases. It is advisable to consult the appropriate Recreation and Intramural Sports staff member before participation if questions arise.
