ID Check

The Recreation and Intramural sports Program at the University of South Carolina Beaufort is open only to members of the USCB community, (students, faculty, staff spouses and Family members). In order to ensure that only eligible people participate in intramural activities, **all participants must bring their USCB ID to every game or be identifiable by staff.** Once a player's name appears on the team roster, players without a USCB ID will be permitted to play if they provide a Driver's license or other official picture ID that matches a name on the roster or may be identifiable by staff. **NO ID, NO PLAY, NO EXCEPTION. USCB Athletic Department Staff retains the right to inspect IDs at any time.**
