Call Me MiSTER Vision Statement

"I am a dedicated Servant Leader who is perpetuating a sorely needed concept - Servant-Leaders as role models in elementary schools. I am devoted to planting seeds of dignity and respect in children and inspiring them to cultivate those seeds producing a crop of unprecedented success. I will teach reading, writing and arithmetic and progress to self-esteem, imagination and determination. Because of my immeasurable promise, not only have I earned your respect, I demand it! A title is only important if ones' character and integrity dictate its use. When you address me, please verbalize my destiny... please do not call me by my first name... call me in reference to my great vision... call me MISTER!"
Congratulations to Mr. McMillon

Congratulations to Mr. Tyron McMillon for successfully achieving what all of us are striving to achieve, a bachelor’s degree. He will receive his bachelor’s in Early Childhood Education and begin his career as a long-term substitute at Port Royal Elementary beginning in January. The cohort is very proud of you and we wish you the best on your educational journey. Remember, its not about you. Its all about the kids! You've set a great example for us to follow and we know that you'll continue to be a positive role model for youth and adults as well.

Special Guest Speaker

Near the end of our meeting on December 3rd, we were greeted by Mr. Dewayne Fredricks (the coordinator for the Head Start program in Beaufort County). He gave us valuable information about the program and precisely identified who the program was for and what it was about. He talked about family engagement; aligned
ongoing standard based assessments, and aligned instruction/pedagogy. An important point he made was appearance and how what you have to say may not be heard based on your appearance alone. He also taught us a little about “code switching”; knowing how to speak to your staff versus speaking to parents about children and child behavior.
