

Considering a Double Major in Spanish and Hospitality Management

A double major can be an excellent way to distinguish yourself and give yourself an edge on the job market. The course of study required for a double major in Spanish and Hospitality Management is demanding, but if students decide upon this path early in their academic careers and plan accordingly, they can graduate with just a single additional semester. Here is a sample course of study for the double major in Spanish and Hospitality Management. It is based upon the general major for Spanish but can easily be modified for the Heritage Speakers major in Spanish. This course of study is also designed for a student who places into Spanish 209 upon entering the university.
