

## 2025-2026 Unusual Circumstances/Dependency Override Form

Federal regulations permit the University to override a student's dependency status for federal financial aid purposes **if unusual circumstances exist and can be documented**. This determination is made on a case-by-case basis. Not all requests will qualify for a Dependency Override. A Dependency Override request can take up to 6-8 weeks to process.

Per federal regulations, the following conditions are NOT considered unusual circumstances:

- Parents refuse to contribute to the student's education
- Parents are unwilling to provide information on the FAFSA or verification process
- Parents do not claim the student as a dependent for income tax purposes
- Student demonstrates total self-sufficiency
- Student does not wish to communicate with parents
